BACKUP FOR LIFE

BACKUP for Life is a NSW Police Legacy Initiative, established in 2016 to help former police officers, or those who are thinking about leaving the force, to move into the next stage of their lives and careers.

NSW Police Legacy is a not-for-profit organisation. We care for many members of the wider police family, including our police legatees, the parents of deceased police officers, and special constables.

Our BACKUP for Life initiative specifically helps transitioning and former police and their families as they progress from a career in policing to civilian life.
