FAQs

WHO IS MANAGING THE PROGRAM?

Our Career Management Specialists (CMS) are responsible for the delivery of the program. Upon entry into the program, participants will be allocated a dedicated Specialist who will work hand in hand through out the program.

WHO PAYS FOR THE PROGRAM?

The program is funded through the cost of the workers compensation claim.

HOW LONG DOES THE PROGRAM TAKE?

The core program is usually delivered over a period of 26 weeks, however timeframes vary depending on individual circumstances, training needs and job search activities.

DOES THIS PROGRAM HAVE ANY IMPACT ON WEEKLY OR MEDICAL BENEFITS?

No. The Case Manager of the claim is responsible for the day to day management of the workers compensation claim, including the payment of weekly benefits or re-imbusement of medical and like expenses.

HOW IS THE DOCTOR CONSULTED?

The treating medical professional plays a key role in determining the kind of employment and training that is medically appropriate for the participant. Engage the treating medical professional, and the participant to present and gain approval for proposed training and career options.
